

Course Selections are taking place from February 12th-21st. Please do not hit the submit button until a Guidance Counsellor has visited your classroom. Final class visits are on Tuesday, February 18th. Any student that was absent for the course selection information can come to Guidance on February 19th, first period, to receive support with course selections. Once Course Selections are completed, please print off a copy and a parent or guardian must sign your course selections. Please return the printed copy to Guidance or the Main Office. Thank you!
